**A NEW RESIDENTIAL
DESTINATION IN DUBAI:
WHERE LIFESTYLE AND
LEISURE MEET**

YOUR HOME THE MARRIOTT STYLE

Marriott Residences, Al Barsha South, is strategically located with views out across two of the most iconic buildings in Dubai, the Burj Al Arab and Downtown Dubai, Burj Khalifa. The property focuses on delivering a relaxed sanctuary for residents, to escape from the metropolitan lifestyle of the city. The interior design of the building will be an inviting oasis, with layers of green and beige tones, and touches of locally distinct arabesque details, delivered delicately. Warm, contemporary interiors that focus on natural textured fabrics are used throughout the public areas and residences, with raw but rich materials such as wood, stone and leather selected for surfaces and furniture. The properties overall interior design takes influence from its neighbors; four world class golf courses and two prestigious equestrian polo clubs.
